Description

The KTM 300 EXC has been at the forefront of the insane pace of development of the highest levels the sport of Extreme Enduro. This nimble, lightweight all-terrain master fears no obstacle and with the advent of TPI technology, has risen to ridiculous new heights. The refined bodywork and ergonomics make moving around a bliss, while the frame allows the rider to select a line with instant precision. An innovative and strong 3D stamped exhaust, as well as the impressive cooling and suspension, all help to make the new KTM 300 EXC TPI ready for the most extreme enduro challenges.
