Description

There's no rest for the man on the land. From rugged wooded valleys to vast green pastures there's always the next job to be done. Their ATVs need to be as tough as they come yet comfortable enough to get you through the day

Introducing the new fuel injected 4WD Kodiak 450 with electric power steering (EPS). With it's all new styling, new chassis, wider track and long travel suspension the new Kodiak boosts your comfort and confidence with improved nimble handling and ride catering for a variety of size and skill levels.

The all Kodiak 450 is focused on the highest level of capability, providing more Control, Comfort, Confidence and Convenience.
