Every day thousands of us waste time and money getting to and from work. Tricity offers a practical, affordable and enjoyable alternative. Equipped with a confidence inspiring three-wheel layout, Tricity is a lightweight urban commuter vehicle with user-friendly features designed for the needs of new riders. And Tricity now sports more power thanks to its punchy 155cc four-stroke engine. The accessible 3-wheel layout, with standard ABS, makes it ideal for inexperienced riders - and twin leaning front wheels give lightweight agility with a special feeling of stability. Getting to work is a major issue of many of us. But the affordable, easy to use and economical Tricity 155 has the power to transform your commute and so improve your life.
