## Description

Like its predecessor, the superbly balanced Z650 offers sugomi\* performance and styling in a slim, compact middleweight package that features a 650cc Parallel Twin engine with strong lowmid range torque in a lightweight chassis. Engine refinements contribute to cleaner emissions and increased mid-range torque, new tyres offer lighter handling, and a redesigned tandem seat offers increased passenger comfort. As before, nimble handling and superb feedback are complemented by easy-to-manage power delivery and rider-friendly manoeuvrability, offering an ideal blend of sporty performance and everyday versatility designed to accommodate a wide range of riders. Sharp new styling, highlighted by a new LED headlight and TFT instrumentation, gives this 2nd generation Z650 an even stronger sugomi presence. The thorough attention given to ensure a high-quality fit & finish results in a machine that riders can be proud to own – an ideal ambassador for the Z brand.
